DVNM SAMPLE 01 / 07

DVNM Biz

Nigerian small-business website

Purpose of this sample

Shows how a service business can explain its work, service area, hours and enquiry path clearly on a phone.

DVNM BIZ

https://www.davoniumtech.com/demos/business.html

A useful visitor journey

- Explain the service and who it helps.
- Publish owner-verified hours, location and contact details.
- Set clear expectations for enquiries and response times.

What this record means

The page is a sample demonstration. Its form is not connected to a live business or enquiry service.

For a real production website, Davonium Technologies would confirm the actual owner, audience, copy, content rights, domain, integration needs, data handling, accessibility, security, and deployment scope before release.

Showcase status: Sample demonstration only. This page does not certify a person, prove a customer relationship, or represent a live transactional service.

DVNM SAMPLE 02 / 07

DVNM Growth

Marketing and campaign website

Purpose of this sample

Shows how a Nigerian SME, start-up, training provider or professional team can introduce an offer and guide visitors through a campaign page.

DVNM GROWTH

https://www.davoniumtech.com/demos/marketing.html

A useful visitor journey

- Describe the audience and need clearly.
- Explain benefits and evidence without unsupported claims.
- Make the next step easy to identify and use.

What this record means

The page does not provide live campaign management, analytics accounts, or verified performance results.

For a real production website, Davonium Technologies would confirm the actual owner, audience, copy, content rights, domain, integration needs, data handling, accessibility, security, and deployment scope before release.

Showcase status: Sample demonstration only. This page does not certify a person, prove a customer relationship, or represent a live transactional service.

DVNM SAMPLE 03 / 07

DVNM Market

Product catalogue and shop journey

Purpose of this sample

Shows product cards, sample prices in naira, product details and a temporary sample bag for a Nigerian maker or retailer.

DVNM MARKET

https://www.davoniumtech.com/demos/shop.html

A useful visitor journey

- Browse a clear catalogue.
- Compare product descriptions and verified details.
- Plan secure checkout, delivery, stock and order handling for a real shop.

What this record means

No real products are sold; prices and product details are illustrative, and checkout/payment is not enabled.

For a real production website, Davonium Technologies would confirm the actual owner, audience, copy, content rights, domain, integration needs, data handling, accessibility, security, and deployment scope before release.

Showcase status: Sample demonstration only. This page does not certify a person, prove a customer relationship, or represent a live transactional service.

DVNM SAMPLE 04 / 07

DVNM Creative

Portfolio for creative and technical work

Purpose of this sample

Shows how an independent creator, engineer, designer, photographer, developer or technical professional can present work and process.

DVNM CREATIVE

https://www.davoniumtech.com/demos/portfolio.html

A useful visitor journey

- Explain the brief and project context.
- Describe individual contributions honestly.
- Use approved materials and verified outcomes.

What this record means

The page is not a client portfolio and does not claim these sample projects were commissioned.

For a real production website, Davonium Technologies would confirm the actual owner, audience, copy, content rights, domain, integration needs, data handling, accessibility, security, and deployment scope before release.

Showcase status: Sample demonstration only. This page does not certify a person, prove a customer relationship, or represent a live transactional service.

DVNM SAMPLE 05 / 07

DVNM Skills

Practical digital learning website

Purpose of this sample

Shows a possible learning-path interface for students, job seekers, freelancers and teams exploring practical digital skills.

DVNM SKILLS

https://www.davoniumtech.com/demos/learning.html

A useful visitor journey

- Choose a learning goal.
- Explore bite-sized topics and sample activities.
- Clarify progress, support and outcomes in a production learning service.

What this record means

This is not a live course, accredited training service, examination system, or official qualification.

For a real production website, Davonium Technologies would confirm the actual owner, audience, copy, content rights, domain, integration needs, data handling, accessibility, security, and deployment scope before release.

Showcase status: Sample demonstration only. This page does not certify a person, prove a customer relationship, or represent a live transactional service.

DVNM SAMPLE 06 / 07

DVNM Digital

Davonium Technologies company showcase

Purpose of this sample

Shows how the Davonium brand, service pathways, product directions, DVNM Bot and development status can fit into a company website.

DVNM DIGITAL

https://www.davoniumtech.com/demos/technology.html

A useful visitor journey

- Explain the company and its service approach.
- Make product availability and development status clear.
- Give visitors useful documentation and contact routes.

What this record means

This sample does not replace the authoritative status and implementation of each actual company product.

For a real production website, Davonium Technologies would confirm the actual owner, audience, copy, content rights, domain, integration needs, data handling, accessibility, security, and deployment scope before release.

Showcase status: Sample demonstration only. This page does not certify a person, prove a customer relationship, or represent a live transactional service.

DVNM SAMPLE 07 / 07

DVNM Connect

Community, work and skills events

Purpose of this sample

Shows how a work-and-skills community could present digital clinics, portfolio activities, learning events and participation details.

DVNM CONNECT

https://www.davoniumtech.com/demos/community.html

A useful visitor journey

- Discover an activity and intended audience.
- Review verified venue, access and preparation details.
- Use an honest registration and follow-up process.

What this record means

Event dates, venues and RSVPs are illustrative. The sample does not reserve a real place or collect a registration.

For a real production website, Davonium Technologies would confirm the actual owner, audience, copy, content rights, domain, integration needs, data handling, accessibility, security, and deployment scope before release.

Showcase status: Sample demonstration only. This page does not certify a person, prove a customer relationship, or represent a live transactional service.
