CONCEPT 01 OF 07

DVNM Biz

A mobile-first digital home for Nigerian small businesses, skilled trades, service providers, and independent professionals.

INTENDED AUDIENCE

Small business owners, sole traders, repair services, local retailers, and professional service providers.

SAMPLE USER JOURNEY

Understand services; view business hours and service area; find contact details; request a conversation.

PROTOTYPE BOUNDARY

The sample form only shows a message. It does not send or store customer details.

BIZ · DVNM

PUBLIC DEMO URL: https://www.davoniumtech.com/demos/business.html

We designed this page as an original Davonium concept. Sample content is illustrative until a production scope is approved.

CONCEPT 02 OF 07

DVNM Growth

A conversion-focused campaign website concept for Nigerian SMEs, start-ups, service companies, and training providers.

INTENDED AUDIENCE

Small business teams, founders, training providers, and professionals introducing a new offer.

SAMPLE USER JOURNEY

Understand the offer; learn what is included; review the process; choose a clear contact action.

PROTOTYPE BOUNDARY

No advertising, mailing, tracking, analytics, or production lead capture is connected.

GROWTH · DVNM

PUBLIC DEMO URL: https://www.davoniumtech.com/demos/marketing.html

We designed this page as an original Davonium concept. Sample content is illustrative until a production scope is approved.

CONCEPT 03 OF 07

DVNM Market

An illustrative product catalogue for Nigerian makers and small retailers, with sample naira prices and a temporary demo bag.

INTENDED AUDIENCE

Product makers, local retailers, small brands, and prospective online sellers.

SAMPLE USER JOURNEY

Browse sample products; review details and example prices; add to an in-memory demo bag.

PROTOTYPE BOUNDARY

No verified stock, shipping, product origin, account, payment, or order processing is provided.

We designed this page as an original Davonium concept. Sample content is illustrative until a production scope is approved.

CONCEPT 04 OF 07

DVNM Creative

A portfolio framework for Nigerian designers, developers, engineers, photographers, marketers, and makers.

INTENDED AUDIENCE

Freelancers, early-career professionals, creative studios, and small technical teams.

SAMPLE USER JOURNEY

Filter work examples; review concept case studies; explain capability; start a project conversation.

PROTOTYPE BOUNDARY

Sample projects demonstrate portfolio structure and are not claims of completed client engagements.

We designed this page as an original Davonium concept. Sample content is illustrative until a production scope is approved.

CONCEPT 05 OF 07

DVNM Skills

A mobile-friendly digital learning concept for practical skills, clear explanations, and learner support.

INTENDED AUDIENCE

Students, job seekers, freelancers, digital beginners, and small business teams.

SAMPLE USER JOURNEY

Explore topics; expand learning sections; review a pathway; ask about a real learning product.

PROTOTYPE BOUNDARY

This is not a live course, accredited programme, exam service, or credential-awarding system.

We designed this page as an original Davonium concept. Sample content is illustrative until a production scope is approved.

CONCEPT 06 OF 07

DVNM Digital / Davonium Technologies

Our technology-company showcase for Davonium Technologies, our digital services, product directions, and DVNM Bot.

INTENDED AUDIENCE

Potential customers, collaborators, learners, and visitors researching Davonium Technologies.

SAMPLE USER JOURNEY

Understand our company; explore product status; meet DVNM Bot; find docs, services, and contact information.

PROTOTYPE BOUNDARY

Products marked in development remain in development; the page does not promise unpublished app availability.

We designed this page as an original Davonium concept. Sample content is illustrative until a production scope is approved.

CONCEPT 07 OF 07

DVNM Connect

A community and skills-event concept for Nigerian workers, entrepreneurs, learners, and peers.

INTENDED AUDIENCE

Workers, students, entrepreneurs, professional communities, and volunteer organisers.

SAMPLE USER JOURNEY

Explore sample activities; filter event types; try an illustrative RSVP; learn what a production sign-up needs.

PROTOTYPE BOUNDARY

Dates, venues, organisers, and RSVP content are placeholders; nothing is booked or stored.
